

Quitman Church Of God

November 2007 Newsletter

As I look back over the last few weeks, my thoughts quickly turn to the loss of our Sister in Christ, Betty Jones. As I reflected on her life, her physical struggles and her determination to serve God, I was drawn back to the scripture that I read at her Homegoing Service. Matt. 20:25-28 describes how we become Great in the eyes of God. Verse 26 says we must become a servant, anxious to give of ourselves, willing to submit, and ready to reconcile any difference we have with a brother or sister in Christ. To be a Great Church, each of these key ingredients must also be visibly active. People in Quitman and Brooks County need to see a servant-oriented church in action. I am convinced it will change this city.

I call for each one of you as believers to seek to be a servant to all. Don't allow race, denomination, social status or any other hindrance to hinder your vision to become a Great Servant for our Lord and Savior.

Your Pastor,
Bro. Gwin Jarriel
